

Cancellation conditions IVF

These cancellation conditions apply to patients who are subject to the price list for uninsured patients in EUR. If your treatment is subject to the price list for insured patients in CZK, the amounts listed below are replaced by the relevant amounts in CZK according to the valid price list for insured patients.

Complete IVF cycle

- A **€ 1300 deposit** is required at the time of treatment confirmation. This amount is non-refundable if stimulation is cancelled before egg retrieval, either at the patient's request or based on the IVF specialist's recommendation (e.g., insufficient follicle growth).
- The deposit cannot be applied to another treatment. For a new cycle, the full deposit must be paid again.
- A **€ 900 payment** is due on the day of egg retrieval, even if no eggs or no viable eggs are collected. If the procedure does not occur, this amount will not be charged.
- A **€ 990 payment** is due on the day of embryo transfer. This is not charged if the transfer does not take place.

IVF Genetics

- The **€ 1300 deposit** at confirmation is non-refundable if stimulation is cancelled prior to egg retrieval (patient's request or medical advice).
- Deposit cannot be applied to another treatment. Full payment is required for any new cycle.
- **€ 900 payment** on egg retrieval day is required even if no eggs or viable eggs are collected; not charged if procedure does not occur.
- **€ 1900 payment** due on the day of PGT-A biopsy is not charged if the biopsy does not occur.
- **€ 990 payment** due on embryo transfer day is not charged if transfer does not occur.

Egg freezing

- **€ 800 deposit** at confirmation is non-refundable if stimulation is cancelled before egg retrieval.
- Deposit cannot be applied to another treatment; full payment is required for a new cycle.
- **€ 1190 payment** on egg retrieval day is required even if no eggs or viable eggs are collected; not charged if procedure does not occur.

Egg safe

- **Deposit** at confirmation of each treatment is non-refundable if stimulation is cancelled before egg retrieval.
- Deposit cannot be applied to another treatment/round of egg freezing; full payment is required for a new cycle.
- **Payment** on egg retrieval day is required even if no eggs or viable eggs are collected; not charged if procedure does not occur.
